Y-Adapter for Field Instrument Surge Protectors

The SLT-Y offers a solution when a field instrument has no free cable entry to accommodate the SLT threaded instrument protector. The Novaris Y-piece adapter accommodates the SLT threaded instrument protector and cable gland.

Flameproof Y-Adapter

The IS-SLT-Y-M20 is an IEC Ex and ATEX EX d certified version of the Y-Adapter, and so may be installed in Ex d rated instruments without loss of integrity.

Threads

The SLT-Y is available with M20 threads. Other threads are available upon request or thread adaptors can also be supplied. The SLT-Y is rated to IP68 providing adequate thread sealing methods are utilised.
